Flexibility within your reach

The Brisa & Mistral range offers a solution to satisfy the current and future needs of any location, offering the potential to increase or reduce the number of modules in an existing display.

The range is available in six sizes and two models; the Mistral B for cans and bottles and the Brisa and Mistral H for snacks, cans and bottles.

The Brisa & Mistral range can operate as individual machines with a payment module or be connected to an AZKOYEN hot drinks unit.

ATTRACTIVE DESIGN:

- Large illuminated product display maximising impulse purchases.
- Excellent unit dimension/product capacity ratio.
- Refrigeration down to 3°C.
- The Mistral B can dispense up to 600 and 750 cc bottles.

MODULAR CONSTRUCTION:

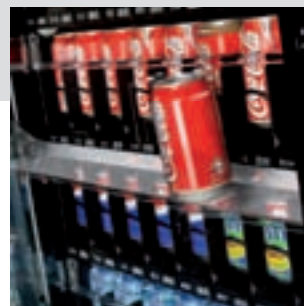

- Potential to increase or reduce the number of modules in an existing display, operating independently with a payment module, or being connected to an AZKOYEN hot drinks unit.
- Payment module prepared for EXE and MDB. Compatible with bank note readers and cashless systems (keys, cards etc..)

EASY INSTALLATION AND MAINTENANCE:

- All components are accessible from the front of the machine.
- Easily configurable shelves which can be removed for loading even with the door open at 90°.
- The H85 / B85 Brisa & Mistral models are prepared for a door clearance of 70 cm.
- Easy to configure units.

RELIABLE AND ROBUST:

- AZKOYEN's guaranteed vend system 'i-detect' reduces vandalism and offers assurance to the end user.
- 6 fixing points on the payment module. Module door fits into payment unit.
- Double glazed front panel for added security.
- Elevator vending system as an option.
